Personal Profile:

An experienced 3rd AD and runner with location and studio credits looking to develop a career within film and TV across story development, producing and direction departments. With excellent communication, problem-solving and organisational skills gained working on film sets, studios, and in production offices, jumping into challenges is all part of the job. Dealing with spontaneous requests and tight deadlines has enabled a calmer mindset working under pressure in quick-paced environments, providing hands-on support throughout with a motivational "can do" attitude among the team. With a strong passion to learn and develop new skills, I'm ready to join a creative and fun production team where I can bring my drive, positive ideas and personability to the table.
